

Evidence of Mercy (Sun Coast Chronicles Book 1)

The plane crash nearly ended Lynda's life. Was it an accident or sabotage? Lynda Barrett, a young lawyer, hates to sell her plane, but she can no longer afford to keep it. Enter Jake Stevens: wealthy, arrogant, and interested in buying Lynda's beloved Piper. Together, he and Lynda embark on a test flight that ends in disaster--hurling them into a terrifying sequence of events. One thing becomes clear: Someone is out to get Lynda . . . someone who will not be satisfied until she is dead. This riveting novel takes the reader on a suspense-filled flight into a world where the dark side of human nature meets with a higher power . . . where love finds root in the midst of hatred's savagery . . . and where terrifying and uncontrollable circumstances become the unlikely catalysts for forgiveness and faith.
