

Hearts and Dreams: Katherine

Set against well-known historical events, this new Young Adult romance series centers on a hope chest that passes through the lives of various young women who respond to the challenges of their day. Sixteen-year-old Katherine rescues a handsome young stranger who is fleeing from the loyalists, and soon finds out her own father is secretly involved in American Patriot activities. Disguising herself as a boy, she sets out to help the cause of freedom and finds adventure and love along the way.
