

Diary Of A Teenage Fairy Godmother, A Contemporary Teen Fantasy Romance

Award-winning author Kathleen Baldwin teamed up with actress mystery writer Andrea Sisco to write a romantic contemporary YA fairytale. a story that girls and women of all ages can love a magical world you want to explore even after this story has ended. Bestselling Author, Suzanne Ferrell, 5 stars Diary of a Teenage Fairy Godmother A Fairy Godmother is not some overgrown pixie in a pink tutu. Shes a guardian and a warrior specially trained to protect Cinderellas descendants. Lilliana Skye is undercover at a Texas high school on her first assignment to save one of Cinderellas troubled great-granddaughters. But everything goes terribly wrong. Her Cinderella, Jess, hates her. Then theres Jesss brother, hes, well, hes dangerous. Falling in love with a human is strictly forbidden, not to mention . . . deadly. Jessica Harrison doesnt believe in fairytale magic or happily-ever-afters. The death of her oldest brother nuked her world and ripped her family apart. Grief sucks. Jess is tough, angry, and so intelligent its scary. If she ever did see a mythical fairy she would probably stomp it into oblivion with her army boots. Emotions, magic, and all that supernatural, unquantifiable, nonsense are a waste of her time. She tossed them out of her life after her brother died. Science and math she can depend on those things. However, there is still someone Jess cares deeply about and thats her other brother, Jake. Hes the only family member she really has left and shes fiercely protective. When Jake meets Lilliana, the new girl, he falls hard. Code red alarms go off in Jesss head. She cant let her brother fall in love with a lunatic who claims to be her Fairy Godmother. Lilliana tries to stay away from him. Falling in love with a human is against the rules. Maybe if she didnt have to protect Jake and Jess she might be able to keep her wayward heart in check. But someone from the fairy realm is trying to

kill all three of them and Lilliana has to find out why before its too late. I was hooked. This is a fast, fun read with more than enough world-building for fantasy fans -Yvonne, 5 stars I liked the fantasy mixed with high school angst in this romance/action blend. PA, 5 stars Book Club Discussion Guide: Available on Author Kathleen Baldwin's website.

AUTHORS NOTE: This book is suitable for girls, women, guys, anyone who loves a modern fairytale. The two of us are particularly fond of the YA fairytales by amazing authors: Shannon Hale, Gail Carson Levine, Marissa Meyer, and Diana Wynne Jones. But our book is a magical adventure that takes place right here, right now, in our world. We set this book in a contemporary world because we believe there is a kind of magic all around us, inside each of us, just waiting to be revealed. Diary of a Teenage Fairy Godmother is a paranormal tale of finding hope, discovering truth, and learning to love. I love this book so much!!! I didnt want it to end. Dancer Girl, 5 stars
