

Learn to Play Harmonica: Illustrated Techniques for Blues, Rock, Country, and Jazz (Music Bibles)

There's something about a harmonica that brings a smile to anyone's face. Learn to Play Harmonica gives you everything you need to learn to play this fantastic instrument, with more than 200 pages of instruction. This book includes a CD to help you on your journey and your very own harmonica! Each chapter includes songs and licks for you to learn and enjoy working on. This hardcover book is part of the Learn to Play series and has internal wire-o binding, which allows it to lie open flat for easy reference during practice. At 6.5in x 8in this book is a perfect size for readers to keep handy--in a music bag, purse or school bag. The stylish design of the book, along with the interior photographs, illustrations and diagrams, make the learning process simple and fun for beginners and enthusiasts. The book also includes an audio CD for examples and accompaniment. Packed with dozens of practice projects to test your skills along the way, this book is perfect for the amateur who wants to discover the joys of the harmonica or blues harp. Having fun is the best way to learn, and this book is sure to make the process engaging and fun!
