

Leigh Anns Civil War

Leigh Ann Connors is spunky and determined. Although she often finds herself in trouble, she loves her two older brothers dearly and would do anything to make them proud. When the Yankees arrive in Roswell, Georgia, Leigh Ann places a French flag upon the familys mill. She hopes the Yankees will then spare the mill from destruction, but her actions have disastrous results. Sent north with the women and children who worked in the mill all branded traitors for making fabric for Confederate uniforms Leigh Ann embarks on a journey that requires her to find her own inner strength. Only then will she be able to rise above the war raging around her.
