

Lesbian Toy Time

Stories included in this anthology: Caught Playing, in which a busty blonde woman gets discovered playing with herself by her Asian boss. Frustrated and horny, sparks fly. The Cougars Housekeeper, a virgin college girl works for a busty auburn haired older woman, whos feeling lonely because her husband is away. The cougar cant resist the idea of teaching the younger woman a thing or two. Late Night Roommates, after drinking, two women have a drunked, sex fueled romp. Strapon After Tennis, in which Lilly and Wendy head home together after playing a game to play an entirely different kind of game. Tricias Tied Up, college girl Tricia gets bound by her roommate who takes advantage. Once freed, its her turn to take advantage of the lesbian. Wrong Beginnings, college girls discover their mutual attraction and interest after one of them discovers her roommate has a dark secret. An compilation of six of my previously published lesbian sex stories, Lesbian Toy Time is a full length work of 58,000+ words. Contains explicit sex and adult language, intended for mature audiences only. If you are offended by lesbian sex, strap-ons, first time lesbian experimentation, role play, oral sex or graphic depictions of adult intercourse, this work is not for you.
