

Lust with Another Girl: Twenty First Lesbian Sex Erotica Stories

Here is the first story in this explicit erotica anthology: When Tasha Caught Me Masturbating (And Decided to Make My Fantasies Real!) A Tale of First Lesbian Sex by Melody Anson Id been best friends with Tasha for about as long as I could remember but Id never thought about her in a sexual way. That all changed with a single comment while we were on a getaway vacation. I ended up in bed the whole night thinking about her but I couldnt do a damned thing to blow off the steam because she was in the room with me. That morning, though, I was free and that meant a date with my vibrator. It was crazy to masturbate while thinking of Tasha but no other thoughts were in my head at all. Then she caught me! Before I knew it, I was with her, and it was the most intense and beautiful sexual experience Ive ever had. There are also four more, so what are you waiting for? Click to download and you can start reading in seconds! Please do not download this book unless you are legally able to download and view explicit sexual content in your area.
