

## Life, Love, & Lemons

\*\*This is NOT New Adult. This is NOT Erotica. There is no sex or even swearing. There is some heavy petting and drug references. Basically the book equivalent of a ABC Family show\*\* When life hands you lemons, sometimes you have to say screw the lemons and bail. Seventeen-year-old Bentley Evans had it all. Then her Dad got laid off. Now she has to move across town to a small apartment and leave her life of luxury for public school and a job at the local burger place. Just when her world seems like its crumbling she finds solace in the unlikely punk boy next door, Kai Stone. But as their relationship blossoms, a jealous ex-girlfriend and a secret to tell that threatens to bring disaster back into Bentleys life.
