

## Lily B. on the Brink of Love

Lily B. is back . . . and shes on the Brink of Love! Twenty feet may not seem that high to you. But go outside, find a big rock, measure twenty feet up, then picture The Boy Who Is the Center of Your Universe clinging to that place, looking resplendent in climbing shoes. Then youll know what I mean. Hes on belay, Bonnie said. If he falls, hell just hang there until he can get himself back on the rock again. If only love could be that risk free.
