[Young Adult Fiction (Ages 12-17)][Read by P.J. Ochlan and Katie Schorr] From USA Today bestselling author Tillie Cole comes this stand-alone young adult tearjerker romance, recommended for ages fourteen and up. One kiss lasts a moment. But a thousand kisses can last a lifetime. One boy. One girl. A bond that is forged in an instant and cherished for a decade. A bond that neither time nor distance can break. A bond that will last forever. Or so they believe. When seventeen-year-old Rune Kristiansen returns from his native Norway to the sleepy town of Blossom Grove, Georgia, where he befriended Poppy Litchfield as a child, he has just one thing on his mind. Why did the girl who was one half of his soul, who promised to wait faithfully for his return, cut him off without a word of explanation? Rune's heart was broken two years ago when Poppy fell silent. When he discovers the truth, he finds that the greatest heartache is yet to come. A stand-alone young adult tearjerker romance, recommended for ages fourteen and up.
