

Roulette - Baccarat -Trente-et-Quarante (German Edition)

Diese zweisprachig (deutsch und englisch) angelegte Bibliographie ist mehr als nur eine Liste relevanter Bücher: Sie gibt auch eine Zusammenstellung einschlagiger Systeme und Hinweise für weitergehende Forschung. Erstmals wird die gesamte weltweit erschienene Literatur zum Spiel im Kasino erfasst. Insgesamt sind etwa 5200 relevante Titel aufgeführt, davon über 3200 selbständig erschienene Werke, mehrere hundert Zeitschriften und eine Vielzahl von Systemschriften, die in anderen Quellen meist nicht auffindbar sind. Erhältlich über jede Buchhandlung oder direkt beim Verlag BoD. International Bibliography of Casino Gambling This bilingual bibliography is more than a simple list of pertaining titles: Not only are hints for further research provided for those actively interested in gambling, it is also attempted to cover - for the first time - the entire casino-related gambling literature worldwide. In all 5200 titles are listed, of which more than 3200 are monographs. Also included are several hundred articles in periodicals and a large collection of system scripts, most of which cannot be traced in regular sources.
