

## Cycle Touring in France: Eight selected cycle tours (Cicerone Guides)

Cycle Touring in France concentrates on eight selected one- or two-week bicycle tours which endeavour to offer cyclists of all levels a taste of France's diverse landscapes and superb scenery. From rugged mountain ranges to vast, variegated patchworks of farmland, from beautiful, tranquil forests full of wildlife to high, remote, sweeping plains, from deep, snaking gorges to gentle valley slopes covered with vineyards, France is undoubtedly one of the most inviting countries in the world for cycle touring, a country understandably proud of hosting the greatest cycle race on Earth, the Tour de France. Peppercorned with hundreds of charming villages that time seems to have forgotten, here you will encounter friendly people, sample fine wines and enjoy exquisite, regional cuisines. Covering some of the most picturesque parts of Brittany, Picardy, Alsace, Auvergne/Languedoc, Provence, Dordogne/Lot, the Alps and Pyrenees, the tours in this guide are accompanied by detailed route descriptions and maps, lists of campsites, bed and breakfasts and hotels, airport and rail connections, and practical information including tips on when to go and what to take, transporting your bicycle and being prepared for carrying out bicycle repairs on the road.
