

Public Speaking for College and Career with Connect Access Card Public Speaking

Public Speaking for College and Career offers a practical, accessible, and non-intimidating approach to public speaking. Through numerous stories, examples, and techniques, this popular text shows students how to achieve clarity and confidence during the speeches they must give in college, in their careers, and in their communities. The new edition features Connect Public Speaking - a dynamic and powerful web-based learning management system with the student experience at its core. Informed by extensive research conducted with both instructors and students, Connect is designed to help students earn better grades and save instructors valuable time, whether teaching a face to face, online, or hybrid course. Connect Public Speaking allows students and instructors to access all course materials including a complete media and research library, study aids and speech preparation and assessment tools from a single place, <http://connectpublicspeaking.com>. Connect Public Speaking offers all of this with the addition of an integrated, interactive eBook that immerses students in a flexible, interactive environment.
