

## Connect Economics One Semester Access Card for Macroeconomics

McGraw-Hills Connect Economics is an online assessment solution that gives instructors the power to create assignments, practice, tests, and quizzes online. Connect provides the problems directly from the end-of-chapter material in Franks, Principles of Macroeconomics, in both static and algorithmic format, so instructors can easily create assignments and tests and deliver them to students. Connect also grades assignments automatically, provides instant feedback to students, and securely stores all student results. Detailed reports let instructors see at a glance how each student performs and easily track the progress of every student in your course. Connect includes the following assignment types: End of chapter problems  
Algorithmic versions of select problems  
Test Bank  
Graphing Tutorial & Math Prep  
prerequisite assignments  
Pre-built assignments  
LearnSmart  
Video Cases  
Logic Cases  
Self Quiz & Study (built-in study guide)
