

Hot and Sexy: Five Explicit Erotica Stories

Hot and Sexy! That's what you'll find in this scorching collection from Red Hot Explicit Erotica Press. Lots of new experiences from group sex to double penetration! Warning: This ebook contains explicit descriptions of sexual activity and includes first anal sex, first lesbian sex, group sex, and more. Only mature adults who won't find that offensive should read this collection.

1. My Birthday Surprise: An Erotic Tale of Group Sex Double Penetration by Amy Dupont Our sex life was great but I had always fantasized about having two men at the same time. My man was up for it, but there was only one man he trusted, his best friend. His best friend was a continent away! I had to satisfy myself with our regular threesomes with my girlfriend Sandy. I had one set up for Mark's birthday, and boy was I surprised! It was my husband's birthday, but I got the present when he arranged for another man to be there!
2. The Cougar and the College Boy: A First Anal Sex Erotica Story by Nycole Folk I couldn't believe how sexy it felt to have a young man like Toby want me, and it was especially wonderful to be reminded just how much an eighteen or nineteen year old boy can accomplish. We'd already had a blistering hot time, and I five minutes later he was ready again! It was another incredible session, but then he did something I didn't expect. He focused his attention on my tiny unexplored ass!
3. The Dare and the Truth: A First Lesbian Sex Experience by Sarah Blitz At the party, when everyone dared Sally and me to make out, it was nerve-racking and embarrassing, but when we actually did it, I felt the most confusing exhilaration I'd ever felt. It was so powerful that when I got home I couldn't stop thinking about it (or touching myself.) I was afraid it would be awkward at work the next day, and I was right. Sally put an end to the awkwardness, though, because she'd already decided she wanted more than a

kiss! 4. The Very Personal Trainer: A Rough Sex Bondage Erotica Story by Angela Ward April is a beautiful and sexy girl, and she uses her body to her advantage with her clients. Shes a hell of a personal trainer, and a little flirting makes her job even more lucrative and more effective. Shes about to discover that her ultra-rich client Scott takes such teasing very, very seriously, and before she knows it, shes all tied up and at his mercy! Its a rough sex fantasy extravaganza. 5. Wendy Deserves a Raise: An Erotic Tale of Voyeurism by Connie Hastings I certainly had no reason to hire Wendy based solely on her resume, but she was so damn young, innocent looking and hot that I decided to take a chance on her. Boy did that pay dividends. Not only was she a wiz around a filing cabinet but turned out to be very good with her hands....and mouth for that matter. Hope she never finds out that I was secretly watching her!
