

Study and Master Mathematical Literacy Grade 12 Teachers Guide Afrikaans Translation

Study & Master Mathematical Literacy Grade 12 has been developed with the help of practising teachers, and covers all the requirements of the National Curriculum Statement for Mathematical Literacy. Special features of the Teachers Guide include: * a full overview of the National Curriculum Statement * a detailed look at the Learning Outcomes and Assessment Standards for Mathematical Literacy, and how much time to allocate to each during the year * valuable information on assessment, and how to manage assessment in the classroom * a year planner and work schedule that will facilitate effortless planning * solutions to all the exercises in the Learners Book * photocopiable assessment sheets for each type and method of assessment.
