

## Maverick Mania (Orca Sports)

The disappearance of his soccer teams leading scorer during the championship finals leads sixteen-year-old Matt to investigate and entangles him in a possible kidnapping. If the Mavericks win just a few more games, they'll make it to the national soccer championship. There's only one catch. Their star player, Caleb Riggins, has disappeared. Matt Carr is determined to find his teammate and solve the mystery. He just didn't realize it would involve attack dogs, a mysterious golden bridge and a family who may not be who they seem. And the big game is only days away.
