

## The 7 Simple Truths of Acting for the Teen Actor (Young Actors)

Hes been called one of the most inspired acting teachers of our time. His internationally acclaimed series of books on The Sanford Meisner Approach have transformed acting programs around the globe. His work as an actor has won him awards around the country. And now, in his most revolutionary book yet, *The 7 Simple Truths of Acting for Teens and Their Teachers*. Larry Silverberg speaks directly to actors at all levels, from high school and college actors to up-and-coming professionals. Silverberg takes you way beyond technique as he completely demystifies the art of great acting. In seven specific, motivating, and no-nonsense chapters, he boils acting down to its most essential and completely human ingredients. Through Silverbergs ground-breaking seven simple truths, he strengthens your courage and bolsters your conviction. In the most uncluttered and step-by-step approach, great acting will become completely unambiguous to you. The ultimate reward Silverbergs insights offer will be your ability to get on a direct path toward true acting; acting from a deeply personal place, with passion and vitality. The kind of acting that leaves those who witness you breathless and moved beyond words.
