

Ex-mas

i? Two Exes. One holiday adventure. Merry Ex-Mas? Seventeen-year-old Lila Beckwiths parents just left for vacation, and Lilas all set to throw the holiday party of the season. But when her Christmas-obsessed little brother, Cooper, discovers that global warming is melting the North Pole, he and his best friend, Tyler, take off on a runaway mission to save Santa. Lila has to get Cooper safely home before her parents get back on Christmas Eve. But the only person who can help her is Tylers older brother, Beau -- a.k.a. Lilas musician, anti-everything ex-boyfriend. Itll take more than a Christmas miracle for Lila and Beau to overcome their differences and find their fugitive brothers. But could a journey destined for disaster help these polar opposites fall in love...all over again?
