

## Desserts Word Mix-Ups

This is a word game puzzle book contained themed Mix-Ups that you must unscramble based upon a pool of letters. The overall theme of this Mix-ups title is DESSERTS AND OTHER SWEETS related words and terms. Without a doubt the intention of these puzzles is to give your brain a real workout. So the first few puzzles start out very easy to help you get into the swing of things. But then the difficulty level ramps up pretty quickly. All of the puzzles have clues, albeit they are sometimes purposefully cryptic. But if you really think about the clue it often cleverly provides some valuable insight. Its like a game within a game interpreting the clues correctly. So in essence this is a title to keep your brain active on \*two different levels\* -- (1) Correctly interpreting the clues; (2) Using your language and puzzle solving skills to unscramble the word. Please note that this is not an active content title. But it really doesnt need to be. Each puzzle is stand-alone and once you know the answer you simply advance to the next page to see if you were correct. If youre a wordplay enthusiast we think youll really appreciate the challenge and mental workout this title provides. We hope you enjoy the mental exercise! Please also search for K. Lenart of Word Mix-Ups in the Kindle bookstore if youd like to see other similar (themed and general) titles we have available!
