

North Dakota Geography Projects - 30 Cool Activities, Crafts, Experiments & More (North Dakota Experience)

This unique book combines state-specific facts and 30 fun-to-do hands-on projects. The Geography Projects Book includes creating a montage of the wildlife that lives in your state using cut-out pictures, recreating the path of a state river with pipe cleaners, building a state tree from fresh or dried leaves or needles from as many types of trees as possible, testing soil samples and more! Kids will have a blast and build essential knowledge skills including research, reading, writing, science and math. Great for students in K-8 grades and for displaying in the classroom, library or home.
