

## Moormans Book of Poker: Improve your poker game with Moorman1, the most successful online poker tournament player in history

Chris Moorman is the most successful online poker tournament player in history. Leads the industry with more than \$11 million in online cashes. Excels on the tournament circuit with over \$4 million live cashes. Placed in the top three in online tournaments 651 times to date. Many strong poker players have written books explaining their thought processes. However, players at the low- to mid-stakes who want to advance to the highest levels find the leap a daunting one. Chris, through years of hard work, has achieved this advance and now wants to help you do the same. Moorman's Book of Poker has a unique approach. Chris analyzes 80 tournament hand histories played by co-author Byron Jacobs—a typical mid-stakes player. The adoption of a coaching format allows Chris to explain in clear detail exactly what is needed to progress to the next level of expertise.
