

Teaching Kids To Love The Earth

Teaching Kids to Love the Earth is a collection of 186 earth-caring activities designed for use with children of all ages to help them experience and appreciate the earth. This book leads you through the authors Sense of Wonder Circle: curiosity, exploration, discovery, sharing, and passion. Each chapter contains a story, instructions for a main activity, suggestions for related activities, and a list of additional resources. Teaching Kids to Love the Earth will enable you and the children you work with to experience a sense of wonder about the world we share.
