

In My Best Friends Butt

After shy student Stephen runs into long-haired, workaholic Matt for the hundredth time on campus, the two become close friends. Soon, they're spending every hour of the day together: eating, studying, keeping up in class - and showering together after hard workouts. But while Stephen secretly lusts to jump his buddy's body, he never gets much more than a tender hug or two... until one night when a drunken game of gay chicken turns their sweet friendship into something much, much hotter! This 13,000-word m/m erotic romance is intended FOR ADULTS ONLY due to scenes of tender friendship, voyeurism, forced stripping, masturbation, rimming, oral sex, fingering, and bareback anal sex. All characters depicted are over eighteen.
