

Heroes of NASCAR

Heroes of NASCAR is a stunning collection of profiles about the greatest drivers in NASCAR history. This beautiful large-scale photographic album includes sections on legendary racing families (Pettys, Flocks, Allison, and Earnhardts) as well as famous characters who did not drive or who earned great fame in some other capacity, such as the innovators Smokey Yunick and Bud Moore, the engine builders Lou LaRosa and Robert Yates, and the promoters Bill France, Joe Littlejohn, and Ed Otto. Previously unpublished archival photographs make this a must for any NASCAR fan.
