

I Love Your Crazy (The Songbooks of Jessie V Book 1)

The Songbooks of Jessie V New Young Adult Romance series by multi-talented singer-songwriter Jasmine Villegas that follows a young, beautiful pop singer named Jessie Vargas, (Jessie V for short) in her quest for success, love and happiness in the glitzy, glamorous, back-stabbing world of the LA music scene. But more than that, the Jessie V series represents the birth of a new media form called songbooks. Simply put, songbooks are novels based on songs. They take the ideas and narratives contained in songs and expand them into complete stories fictional worlds that live and breathe and grow. They are the stories behind the music. Songbook One: I Love Your Crazy When we meet Jessie, she is a normal 20-year-old girl, living in a tiny house with her mother, struggling to make ends meet. Well, shes not normal exactly she is an incredible singer who has been fighting her whole life to become a star. And now she has finally landed her first record deal. But real life doesnt stop just because youre making a record. And when your pop-star-diva-new-best-friend might be more treacherous than you realized and you begin dating one of the most popular singers in the world and you might actually be in love with someone else things can get complicated. Because in the City of Angels, nothing is ever as easy as it seems
