How To Start Playing The Piano By Coming Through The BACK DOOR of Piano Playing - If you are an adult who always wanted to play the piano but never had a chance, Ive got great news for you. You can come through the back door of piano playing! Instead of having to practice silly little songs and endless exercises and scales, you can take a shortcut and start playing the songs you love in a relatively short period of time by learning piano CHORDS. Hundreds of songs can be played by just learning 3 or 4 chords - they are called primary chords because they are the MOST USED chords. By combining those few chords in your left hand with a tune in your right hand, you can start playing the songs you love in a very short period of time!
