Obbin isn't your average boy, he's a prince of the Blauwe Mensen. What's more he's blue. A story from The Quest for Truth series by Brock Eastman, Coming Storm, gives readers a fast-paced adventure from the character Obbin. Winning a race against his brother Rylin to the top of a tall Oak tree, he spots a ship falling to their planet. After going against his brother's warnings, Obbin finds himself face to face with the Wikk twins, Mason and Austin, and their ship the Phoenix. When a trade with them goes badly, he finds himself hanging on for his life. Coming Storm was written for the January 2012 issue of Focus on the Family's Clubhouse magazine.
