

## Talk Talk

Over the past twenty-five years, T.C. Boyle has earned wide acclaim and an enthusiastic following with such adventurous, inimitable novels as *The Tortilla Curtain*, *Drop City*, and *The Road to Wellville*. For his riveting eleventh novel, Boyle offers readers the closest thing to a thriller he has ever written, a tightly scripted page turner about the trials of Dana Halter, a thirty-three-year-old deaf woman whose identity has been stolen. Featuring a woman in the lead role (a Boyle first), *Talk Talk* is both a suspenseful chase across America and a moving story about language, love, and identity from one of America's most versatile and entertaining novelists.
