

Not Another TG Story

Dylan is your average teenage boy. Slightly overweight, lazy, plays video games, and dresses up in his sisters clothes!

His little hobby soon gets him in trouble however and leads him into a path of femininity. Under the cruel guidance of his loving sister and newly found boyfriend Nick, Dylan begrudgingly makes his transformation, which takes place over his entire senior year, including prom and senior week. His transition into the female world doesn't go exactly smoothly however. Embarrassing trips to the mall, fighting off kisses from boys, and dancing like a sissy at cheer practice are just some of his tribulations. Note: This is NOT a parody story, but is more of a homage to great TG Fiction the authors have read over the years. Contains cheerleaders, siblings, and prom scenes! 18+ readers only. Contains a few adult situation themes with consenting, legal adults. Transformation Methods: Hormones, Makeup, Salon, Shopping, Implants, Surgery, Magic?
