

## Nothing to Lose

I shouldn't have come back to Miami . . . I've been escaping cops' notice for a year now. I'm no longer Michael Daye, high school athlete with a promising future. Now I look like someone with no future. When Michael saw a chance to leave town with a traveling carnival a year ago, he took it. Back then, his home life was spinning violently out of control. The carnival, with its no questions asked policy, seemed like a welcome escape. But now Michael's job has brought him back to Miami, where his mother is on trial for murder, making him wonder how much longer he can hide from his past . . . and his future.
