

Off To College - For Young Gentlemen

The Off to College books are the perfect gift for the young person who is going to university. These books will help you say what is in your heart but isn't so easily composed. They share all of the important messages that you know you want to say, but it's all done for you! The gift books in the Off to College series are specific to the needs of young adults who are entering their new life-stage as a college student. Our products are targeted to the heart-needs of those who are making the transition from home to university. Our gift books are meant to be a keepsake. There are messages of common sense as found in the guys book, Yes, you have to do your laundry. Your room can't smell like a dirty sock! And messages of encouragement as found in the gals book, Believe in yourself! You can accomplish anything that you set your mind to. There are 30 messages of encouragement, advice, wisdom, and love in each book. The illustrations in both the gals and guys books are intentionally simple in order to be highly relatable. We hope that you enjoy the humor, wisdom, and just plain goodness in each of our gift books. These books are an ideal gift from mom, dad, grandparents, siblings, and friends.
