

On Cue (Orca Currents)

Randi wants to be an actress and is excited about practicing her craft in drama class. So she is devastated to learn the program has been cut. When her friends put together a successful proposal to have drama class taught as an extracurricular activity, Randi is thrilled. Until the reality sinks in. Extracurriculars are scheduled after school, and after school Randi is expected to take care of her special-needs brother. Can Randi find a way to make it all work out?
