

PHYSICS (Undergraduate Program Field Tests Series) (Passbooks)

These comprehensive examinations, given four times a year by the Regents External Degree Program, are offered in 25 college subjects. They measure knowledge equivalent to that of a student majoring in a specified subject who has completed a number of courses in the field. Credit for the UP Field Tests may be used to partially establish a concentration in the Bachelor of Arts or Bachelor of Science external degrees, although they may be applied to any of the Regents External Degrees.
