

## Kaplan SAT Score-Raising Math Dictionary: A Fun and Effective Way to Learn 200 of the Most Frequently Tested SAT Math Terms and Concepts (Kaplan Test Prep)

Kaplan's SAT Score-Raising Math Dictionary Second Edition takes a fun approach to strengthening math skills and provides everything students need to help them increase their math scores including: New! Updated layout and design including new illustrations throughout, and alphabetized tabs to make navigating the book fast and easy. 200 frequently tested SAT math terms and concepts and their definitions to ensure that students know what questions they are being asked to solve on test day. A sample math problem illustrating each concept and term. A fun, sample math sentence for each entry, to help students understand the math term in context. Handy, targeted test preparation for busy students who are always on the go.
