

A Dark Truth (Orca Soundings)

Riley and Dashawn have been friends since they were three. They got into skateboarding together and have advanced to the point where its time to create a Sponsor Me tape. They bring a third skater along, Natasha, and try to get some good clips around a new office development. Then the police storm into the lot. The three skaters quickly scatter, trying their best not to get busted. Riley and Natasha arrive at the meet-up spot. They wait and wait, but Dashawn never shows. The next day Riley visits Dashawn, only to discover that the police have given him a beat-down. Nothing like this has ever happened before, and for Riley it is a wake-up call that whether they know it or not, not everyone lives in the same world he does.
