

Oscar Goes Camping

If you've ever set up a tent and wanted to tear your hair out because of the EASY instructions, if you've ever awakened in the middle of the night because of rocks poking you through your sleeping bag, if you've ever discovered too late why you should store your food in bear boxes, or if you've ever been smoked out by your own campfire, you'll appreciate Oscar Goes Camping. Oscar Goes Camping is a comical look at the crazy things novice campers do, the mistakes they make and the lessons they learn illustrated by color photos of Oscar in various camping scenarios. Oscar's ever-so-clever Yorkie antics exemplify the excitement, disappointment and mishaps that befall many an unwary camper. Veteran writers, photographers and campers, Gene Stirm and Chelley Kitzmiller collaborated with Oscar to create this charming, tongue-in-cheek campers guide. This is truly an animal lovers book and perfect gift for every camper or aspiring camper on your gift list. Of course you will want to keep a copy for yourself. About Oscar: After Oscar was rescued from the Bakersfield SPCA, Chelley and her husband Ted discovered that the little Yorkie suffers from separation anxiety. So they took Oscar with them most everywhere they went. It was on a camping trip with camping buddies Gene and Patricia Stirm that Gene took a picture of Oscar and discovered that Oscar posed like a pro. Gene took a few more pictures and Oscar Goes Camping was born. Since then, Oscar has become the spokesdog for Have A Heart Humane Society, a 501(c)(3) non-profit.
