

Ancient Egypt (Greenhaven Encyclopedias)

Thousands of years ago, the ancient Egyptians established a civilization that continue to fascinate people today. This A-Z encyclopedia provides information about the most important people, places, and practices of ancient Egypt, as well as about ancient Egyptian historical periods, religious beliefs, art, architecture, and concepts related to the Egyptian worldview. In addition, the encyclopedia talks about the Egyptologists and archaeologists who helped advance modern knowledge about this ancient culture.
