

## Rubaiyat of Omar Khayyam

Rubaiyat of Omar Khayyam is the title that Edward FitzGerald gave to his translation of a selection of poems, originally written in Persian and attributed to Omar Khayyam (1047-1131), a Persian poet, mathematician and astronomer. A Persian rubai is a two line stanza with two parts per line, hence the word Rubaiyat (derived from the Arabic root word for 4) meaning quatrains.
