

## Paladin Rising (The Paladins Curse Book 1)

The night has grown silent. The girls screams no longer pierce the suffocating air, releasing me from the continuous torture of witnessing her gruesome death. I have retreated from this inescapable hell, hidden my crumbling mind far away from the inhuman creatures grasp, shrinking from humanity until all that is left is a heartless shell of my former self. except Im hiding a secret, one I will only reveal once the time is right. I want revenge and I will stop at nothing to get it. Nineteen-year-old Rayna Adams has been ripped out of her life, her entire world, in fact. Kidnapped along with others, shes been thrust into a world where malicious monsters not only exist, but also thrive on the torture and eventual death of her fellow prisoners. Escape is impossible, death is an alluring promise, but what waits for Rayna is far beyond what she could have ever anticipated. In deaths final grasp she acts out in defiance, changing not only her fate, but also those who fight for her safety. The curse has been awakened, now there is far more at risk than Raynas life.
