

## BrownBeat Guide to Talakad, Somanathapur, Tirumakudalu Narasipur and Nanjangud (BrownBeat series Book 3)

After hours of travel along bumpy badly signposted roads you'll find a hidden city under the sands, and with this BrownBeat Guide you'll find the way to the hidden gems found at Talakad, Somanathapur, Tirumakudalu Narasipur and Nanjangud. These small villages were once part of wealthy and visually expressive empires spanning many centuries. Each of them is home to temples that rival better known Indian tourist destinations. With this guide you get inside information on where to stay and eat, what there is to see and how to get there. This eBook suggests a weekend tour of the area and includes maps and useful tips for the journey. The rich culture and historical background of this beautiful part of Karnataka is described in wondrous detail and accompanied by superb photos so that the traveller, be they an armchair traveller or a visitor to these temples, can immerse themselves in the hidden gems of the area.
