Purdue Department of Physics and Astronomy: Home homepage Highlights current department news, events, and calendar of activities, with research and academic course information, lecturing schedule, and newsletters. **Harvard University Department of Physics** A brief introduction to physics. Physics is the study of the basic principles that govern the physical world around us. Well start by looking at motion itself. Then, well learn about forces, momentum, energy, and other concepts in lots of different physical situations. **More Articles - Physics (APS) - APS Physics** MIT physicists have found that a flake of graphene, when brought in close proximity with two superconducting materials, can inherit some of those materials **Home University of Oxford Department of Physics** Provides educational and research opportunities for students. Offers information on undergrad and graduate programs, details of research facilities and seminar **UMD Physics: UMD Department of Physics** **Physics - Wikipedia** Course listings, news, calendar of events, faculty, research information, contact information, and job listings. Offers events and lecture schedule, and provides information regarding research subjects, faculty profiles and interests, and course pages. **Physics** Toni Pitts on Physics Illinois REU programs diversity. Toni Pitts was awarded the Leadership in Diversity Award by The Office of Diversity, Equity and Access at **UC Berkeley Physics** Meet Student Physicist Polina Abratenko Check out our new Meet Our Majors website section which will highlight various physics undergraduates throughout **Physics Central** Institute of Physics - Promoting physics and bringing physicists together for the benefit of all. **MIT Department of Physics** Offers undergraduate and graduate degrees. Provides course descriptions and schedules, a faculty directory, services provided, and a research guide. **Home** Find out how physics is part of your world. We answer your questions on how things work and keep you informed with daily updates on physics in the news. **Department of Physics: Home** Universe lights up new Ogden Centre. The celebrations began on Thursday, 9 March, with a series of talks from leading figures including

architect Daniel UA **Physics: Home** Theory, simulations, and experiments suggest that the performance of vehicle wheels of arbitrary shape rolling over sand can be predicted using scaled-down **The Physics Classroom** provides the latest news on physics, materials, nanotech, science and technology. Updated Daily. **Physics U-M LSA Physics** Physics and Astronomy. Department of Physics and Astronomy, 525 Northwestern Avenue, West Lafayette, IN 47907 Phone:(765) 494-2970 Fax: (765) 494- **Department of Physics The University of Chicago** Gateway for news, jobs, and other physics resources. AIP is a STM publisher of research journals, proceedings and other scientific publications. AIP provides **Home PHYSICS ILLINOIS** A source of information on admissions, teaching and research at one of the largest departments in the United Kingdom. **BBC Bitesize - GCSE Physics** Offers research, programs, alumni, news, and resources. **Physics - UMD** Physics actively engages the greater DC and Maryland community with a variety of **OUTREACH PROGRAMS** for all ages. **Department of Physics - UC Santa Barbara** - news, views and information for the global physics community from Institute of Physics Publishing. **Physics Science Khan Academy** Brief explanations of selected research papers from Physical Review Letters (PRL) at a level accessible to most physicists. **News for Physics** Congratulations to all physics teaching fellows, teaching assistants, course assistants, lecturers, and preceptors who won the Derek Bok Center Certificates of **Department of Physics - Durham University** Eric Weissteins World of Physics. Physics topics. Alphabetical Index. About this site. PhysicsWorld. Eric Weissteins World of Physics. 2,700 entries, 14,065 **Eric Weissteins World of Physics - Wolfram Science World** Provides teaching and research across the field. Details of courses, facilities and staff. **Physics - spotlighting exceptional research** GCSE Physics learning resources for adults, children, parents and teachers organised by topic. **Institute of Physics - For physics For physicists For all : Institute of** Tutorials and practice exercises for high school physics. Includes animations, diagrams, and multimedia examples. **Physics - Wikipedia** Your guide to physics on the web. is the place to be if you have a burning physics question, or if you just want to browse articles and interactive
