

Playing Samba and Bossa Nova: A Field Manual for Drummers (Cruise Ship Drummer! Field Manuals Book 1)

Playing Samba and Bossa Nova: A Field Manual for Drummers Written by Todd Bishop, author of the popular drumming blog, Cruise Ship Drummer!, this is the first in a series of style manuals focused on the musical essentials you really need in the field, playing professionally. With this book the subject is the Brazilian styles Samba and Bossa Nova, and how to play them in a jazz band/lounge band setting. Topics include: your job as drummer when playing this music, how to build your own grooves, how to play with a band, how to play creatively and authentically, and more! Level: high school, through college, through professional. An excellent resource for teachers and band directors, as well. Visit www.cruiseshipdrummer.com for more information.
