

Point Blank (Extreme for Jesus)

All Seth Anderson wanted to do was to graduate. Point Blank takes us into the final weeks of his senior year as Seth finishes his last assignment—a project for his philosophy class exploring the question, What is the meaning of life? Suddenly Seth finds himself in the middle of the worst school shooting in the history of America and forced to find meaning for his own life, while staring point blank at the barrel of a gun. What would you say if a gun was pointed at your head, Point Blank?
