

## PORTMAN RACHEL THE STARS (LITTLE PRINCE) SSA/PF

(Music Sales America). An arrangement of one of the songs from *The Little Prince*, a fabulous, moving and melodic opera by Rachel Portman with luxurious counter melodies and placid harmonies. This opera is based on French philosopher and aviator Antoine de Saint-Exupery's novella, *Le Petit Prince*, an international classic penned in 1943. It was composed by Rachel Portman, the first woman to win an Oscar for a film score (*Emma*-1996), with text by Nicholas Wright. While Saint-Exupery's moving parable of self-discovery is the foundation of the opera's appeal, it is Portman's music that gives the work its dramatic impact. The characters are brought to life and portrayed with a delicate combination of humour and poignancy. This SSA and Piano arrangement of *The Stars* by Richard Allain.
