

The Principal Percussion Series Rudimental Etudes And Warm Ups Advanced Snare Drum

(Percussion). Each dedicated to a different difficulty level, this set of three books contain snare drum etudes written for each of the 40 rudiments. As a prelude to each etude, there are warm-ups dedicated to the development and mastering of the rudiment it precedes. The overall idea is to have both a technical (the warm-ups) and a musical (the etudes) approach to each of the rudiments. The end result should not only be a mastering of each rudiment, but an applied musicality most often ignored when playing or practicing the rudiments for rudiments sake.

Principal Percussion Series - Home Facebook Rudimental Etudes and Warm-ups is just what the title implies. There are three books each dedicated to a different difficulty level: Easy, Intermediate, & Advanced. Each book contains snare drum etudes written for each of the 40 Rudiments. **The Principal Percussion Series Rudimental Etudes And Warm Ups** (Percussion).
