

Reaching Out: A Musicians Guide to Interactive Performance

Connect with and captivate concert audiences as never before with Reaching Out, the groundbreaking new guide to audience engagement and interactive performance for musicians. Author David Wallace shares the techniques he has taught at The Juilliard School and used with orchestras and conservatories around the world for reaching out to any audience regardless of demographics and musical expertise and enriching their concert experience through interaction. Featuring real-life examples, concert transcripts, and an Interactive Concert Checklist, this text gives performing musicians the tools they need to put these techniques to practice and design programs that give their audiences a deeper experience and appreciation of music.
