

REVEL for Public Speaking: An Audience-Centered Approach -- Access Card (9th Edition)

REVEL for Public Speaking: An Audience-Centered Approach, Ninth Edition emphasizes the importance of analyzing and considering the audience at every point in the speech-making process. Authors Steven and Susan Beebe use a balance of theory and practice to guide students on how to enhance their public speaking skills. By focusing student attention on the dynamics of diverse audiences, ethics, and communication apprehension, REVEL for Public Speaking: An Audience-Centered Approach narrows the gap between the classroom and the real world. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
