For courses in Public Speaking An audience-centered approach to public speaking in a student-friendly reference format Public Speaking Handbook, Fifth Edition emphasizes the importance of analyzing and considering the audience at every point in the speech-making process. Using a student-friendly reference format that facilitates quick and easy access to key information, authors Steven and Susan Beebe present a balance of theory and practice to guide students on how to enhance their public speaking skills. By focusing student attention on the dynamics of diverse audiences, ethics, and communication apprehension, Public Speaking Handbook bridges the gap between the classroom and the real world. Also available with MyCommunicationLab

MyCommunicationLab for the Public Speaking course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And MediaShare offers an easy, mobile way for students and instructors to interact and engage with speeches, visual aids, group projects, and other files. Please note: this version of MyCommunicationLab does not include an eText. Public Speaking Handbook, Fifth Edition is also available via REVEL, an immersive learning experience designed for the way today's students read, think, and

learn.
