

And Monkeys Threw Crap At Me: Adventures in Hunting, Fishing, and Writing

Certiably psychotic guides, angry knife wielding natives, feces chucking primates, hallucinogenic drugs, Hemingways incensed niece, and breakaway jungle toilets are just a few of the trials and tribulations author Gayne C. Young faced during his first few years as an outdoor writer. Join this natural born and, yes albeit hard to believe, professionally trained raconteur as he travels the Texas swamps and brush country, African veld, rainforests of Papua New Guinea, and the Yucatan Jungle in search of adventure, excitement, and his next beer.
